Professor William K.S. 'Thunderbolt' Chow

PROFESSOR CHOW MEMORIAL - DVD

The KENPO/KEMPO LŌ KAHĪ ASSOCIATION honored its Kenpo/Kempo roots and heritage by celebrating the 20th Anniversary of the legendary Professor William K.S. 'Thunderbolt' Chow. Professor Chow is singularly responsible for over 90 percent of all Kenpo/Kempo systems being taught in the United States today. To best honor his legacy, the KENPO/KEMPO LŌ KAHĪ ASSOCIATION invited the major offshoots of his teachings to demonstrate their respective Styles. See the past and present instructors from branches which extended from the lineage of William K.S. Chow, (Professor): Go Shin Jitsu Kenpo, Chinese Kempo, (Karahō), Kajukenbo, American Kenpo Karate, Shaolin Kenpo, representatives of the NCK and a special appearance from Kosho-Ryu Kenpo. This event made history without prejudice or a political view. The DVD represents sharing of techniques, forms, and Katas of the old and now.

This DVD is a compilation of all the Seminars taught that day by the representatives of their respective Systems. This DVD is a wonderful *COLLECTOR'S ITEM* documenting the celebration of one of the greatest Kenpo/Kempo Masters to have ever lived.
